

Workplace Giving with Mater Foundation

How you can support Mater

Making a difference to your community has never been easier than with Workplace Giving.

Mater Foundation is partnering with workplaces around Queensland just like yours.

You and your colleagues can sign up for Workplace Giving at any time, and give any amount you choose to help support research and some of our most sick and vulnerable Queenslanders.

And the great news is your Workplace Giving donations are made before tax is taken—resulting in an immediate reduction in your tax paid.

We'd love you to join us at Mater Foundation as a Workplace Giving supporter. Read on to learn more.

Funds raised through Workplace Giving go to Mater Foundation and are distributed to support clinical programs, education and training, research and mission activities at Mater.

Why give?

Workplace Giving offers you the chance to make a huge impact on the lives of Queenslanders in an easy and simple way.

Workplace Giving with Mater Foundation is the most effective way you can make a regular, tax deductible donation to charity. You get the tax benefit up front and do not need to wait until the end of the financial year to claim it back.

So speak to your payroll or HR department today and start giving smarter.

“I decided to give to Mater Foundation and it’s been so rewarding—choosing to donate ‘where it is needed the most’ knowing I’m helping others less fortunate than me.”

Choose where you want your gift to go

By supporting Mater you are helping so many in our community.

Sign up to support Mater's work **where it is most needed** or be more specific and allocate your donation to **certain areas of need**. Some of these areas include:

Mothers and Children

Mater Little Miracles

You can help Mater care for the smallest, most fragile, premature babies. You can also assist our maternal fetal medicine specialists to perform life-saving surgery on babies before they are even born.

Benefits of Workplace Giving

You can make donations in an efficient and tax-effective manner, eliminating the need to collect receipts or having to wait until the end of the year to claim a tax refund.*

- You can choose your donation amount
- You can opt out at anytime
- You don't need to remember to make a payment each month
- If your company agrees to match your donation you'll see Multiplied Giving introduced.

Multiplied Giving: Making the most of your gift

More than just giving

You and your workmates can support Mater Foundation in so many other ways too—like hosting a Breast ever Brunch during August to support the thousands of women diagnosed with breast cancer every year. It's a great excuse to catch up for a good cause. Visit www.breasteverbrunch.org.au for more information.

*Marginal tax applied for employees earning between \$37,001 and \$80,000 pa @ 1 July 2014, excluding the effect of the Medicare Levy. Mater Foundation recommends you consult your personal tax advisor before making any decisions that may affect your tax position.
