

WHAT YOUR DONATIONS CAN DO

Bringing hope to women being treated for breast cancer at Mater.

\$500 can provide a specially qualified counsellor to help a terminally ill woman create a **Memory Box** for the loved ones she will leave behind.

\$224

can help provide physical, emotional and spiritual support to a woman during treatment by providing her with access to **meditation and yoga**.

\$164

can help a woman feel more herself after chemotherapy-induced hair loss by providing her with a **wig or scarf** to wear.

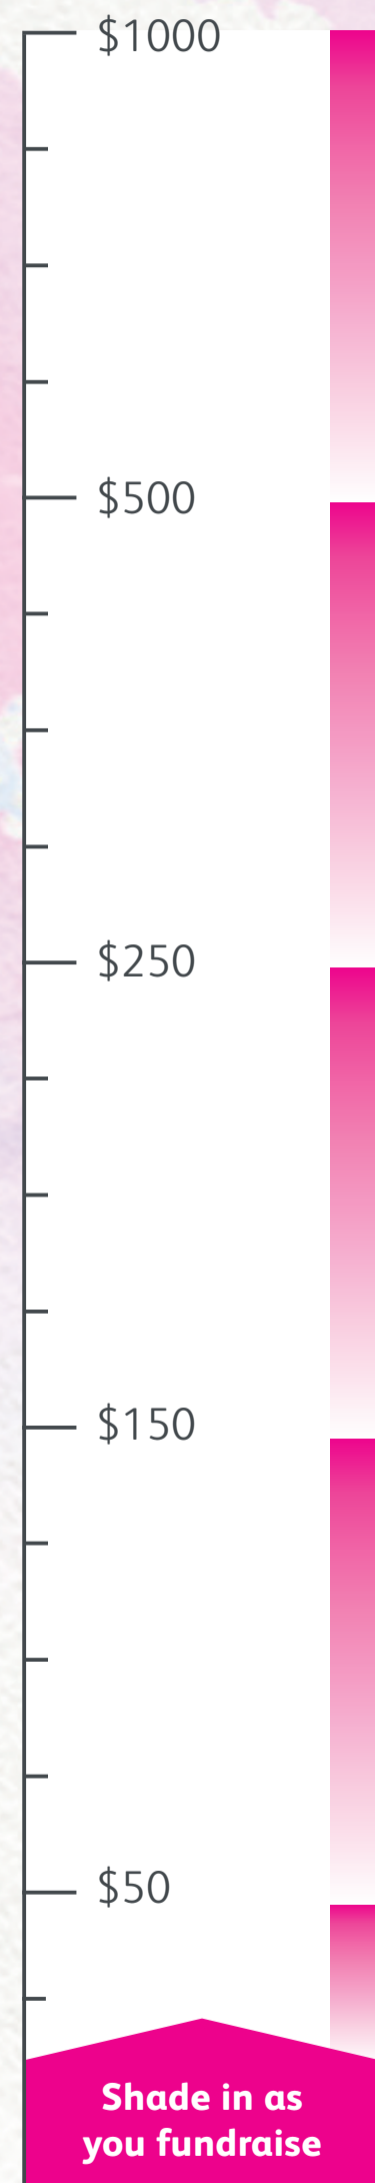

\$107

can help restore a woman's sense of confidence after breast removal surgery by providing her with a **mastectomy bra**.

\$58

can help provide families with emotional support during treatment by funding specially designed **counselling** programs.

Together with your school, you have the power to **Make A Difference** and support women with breast cancer when they need it most.
